Tuition will continue to be first priority that SCRIP is applied towards, then the educational items as listed above. Thereafter, it may be applied for any other items put on your MLHS TADS account.

Watch for more information to be included in all the families end of the fiscal year SCRIP reports/statements in May 2019.

SCRIP EXECUTIVE BOARD

The SCRIP office is looking for 3 volunteers (men or women) to serve on the SCRIP Executive Board. The SCRIP Executive Board meets approximately four times a year to be updated on everything happening in the SCRIP office. They also advise and vote on several aspects of the SCRIP program. If you are interested in serving on the SCRIP Executive Board, please contact the SCRIP office at scrip@mlhslancers.org by April 24, 2019.

SUPERSCRIP CERTIFICATES

Are you holding a Superscrip that you received as a gift and have it tucked away in a drawer, in your wallet, purse or maybe you forgot you were given one? Now is the time to pull it out and bring it into the MLHS SCRIP office to redeem for your favorite gift card/cards. The SCRIP office has many Superscrip certificates that are dated back to 2003 and **have not** been redeemed. All certificates that have a date of 2003-2016 and have not been redeemed by April 30, 2019 will be redeemed back to the MLHS SCRIP program. So take a look in your wallet, purse, drawers or anywhere you may tuck things away - a Superscrip may be waiting to be redeemed!!
