****WATCH YOUR MAILBOX! Designation Forms Must be Returned by May 23rd****

This is a one time per year opportunity to request having your credits applied to your TADS account. NO EXCEPTIONS! The Scrip Fiscal year ended on April 30th. The end of the fiscal year tuition/education credit reports will be mailed to all families with a Scrip account. Included in the reports is a designation form asking whether you want your tuition/education credits rolled over or applied to a designated MLHS TADS account for 2024-2025. It is very important that you return the designation form by May 23rd, 2024 (last day of school). If the designation form is not returned by the deadline, the tuition/education credits will automatically be rolled over, no exceptions.
