The MLHS School Year consists of two semesters. In other words, two semesters equal a full year. If you select a class that is offered for a semester (either semester 1 or 2) it is considered a 0.5 credit. If you take a class that is a full year class, it is considered a 1.0 credit class. Please see the following notations to help you in your course selections.

**FY-Full Year Course=1.0 credit**

**SEM-Semester course that is offered both semesters=0.5 credits**

**S1-Semester course that is offered only during the first semester=0.5 credits**

**S2-Semester course that is offered only during second semester=0.5 credits**

**<-Elective Course which means this course could be used as an elective**

**ST-These are S.T.E.M courses STEM topics are taught.**

**Required-You have to take this class or at least one of the classes in that section. It is a graduation requirement.**

**Prerequisite-Requires that you take the listed class in the prerequisite first before taking this course.**
