

**Manitowoc Lutheran High School  
Federation Meeting**

**MLHS ADMISSIONS REPORT**  
Admissions Chair: **Mr. Jeremy Fischer**

**Date of Meeting: Saturday, Aug 9, 2025**

Mr. Ryan Holper had planned to meet in July / August with all LES Principals regarding opportunities for the upcoming school year (schedule chapels, events, etc.). This is complete with the exception of Bethany, which will be scheduled later this month.

2025 / 2026 enrollment is projected to be **87 freshmen** (largest freshmen enrollment in the past two decades) and **305 total**. The target was 95 freshmen. Reasons given for declining were generally related to non-quality issues (school choice eligibility, tuition expense, transportation, etc.).

Student van routes are being finalized. There will be three area transportation schedules – Kiel, Howards Grove, and Northern (Green Bay / Maribel).

The Admissions Committee will meet August 20<sup>th</sup> at 5:15 PM. Our main agenda item will be to plan the Homecoming Open House for prospective students.

Respectfully,  
Jeremy Fischer
