

## **TRANSPORTATION REPORT**

The 2022 Chrysler Pacifica known as Lancer 3 was deemed a total loss after an accident this past winter. We received a check from the insurance company for \$23,976.15. A new van will be around \$42,000. We will need around \$18-\$20 thousand dollars to replace the van with a new one. The new van must be purchased this summer to be ready for the 2025-2026 school year. The Board will need to discuss where this money is going to come from.

Ideas from the committee to the Board as how to budget for future vehicles are:

- Budget approximately \$15,000/yr to be able to replace every 8 to 10 years.
- Raise money needed at the time of replacement in the form of a fundraiser.

Respectfully Submitted,  
Mark Rogne
