

Must meet Lead/Assistant Teacher qualifications under Wisconsin Childcare Licensing requirements or be willing to attain them. Previous experience in a child care facility is preferred, but will train and invest in the right candidate.

The ideal candidate would possess certification in or be willing to obtain the following:

- * Infant/Child CPR
- * Shaken Baby Syndrome
- * Skills & Strategies for the Childcare Teacher
- * Introduction to the Child Care Profession
- * Fundamentals of Infant and Toddler Care

Job Responsibilities include:

Teachers are responsible for supervising the classroom, planning and implementing the daily program, helping with meals and snacks and maintaining a classroom environment that promotes social, physical and intellectual growth of the children.

- Assist in preparing food and serving meals and refreshments to children.
- Communicate with children's parents or guardians about daily activities, behaviors, and related issues.
- Create developmentally appropriate lesson plans.
- Redirect children and recommend or initiate other measures to control behavior, such as caring for own clothing and picking up toys and books.
- Dress children and change diapers.
- Identify signs of emotional or developmental problems in children and bring them to parents' or guardians' attention.
- Instruct children in health and personal habits, such as eating, resting, and toilet habits.
- Keep records on individual children, including daily observations and information about activities, meals served, and medications administered.
- Maintain a safe play environment.
- Observe and monitor children's play activities.
- Organize and participate in recreational activities and outings, such as games and field trips.
- Organize and store toys and materials to ensure order in activity areas.
- Perform general administrative tasks, such as taking attendance, editing internal paperwork, and making phone calls.

- Perform housekeeping duties, such as laundry, cleaning, dish washing, and changing of linens.
- Read to children and teach them simple painting, drawing, handicrafts, and songs.
- Regulate children's rest periods.
- Sanitize toys and play equipment.
- Sterilize bottles and prepare formulas.
- Support children's emotional and social development, encouraging understanding of others and positive self-concepts.
