

**Manitowoc Lutheran High School  
Federation Meeting**

**MLHS TRANSPORTATION**

Student Staff Services Chair: **Mr. Matt Menges**

**Date of Meeting: Saturday, February 14, 2026**

After a temporary drop to two morning routes, we resumed the third. We now have drivers going to Green Bay/Maribel, Sheboygan, and Keil.

The newest of our Lancer vans struck a deer on the way back from a boys basketball game in Keil over the holidays. Nobody was hurt, the damage was purely cosmetic, and repairs are planned.

The maintenance staff continues doing a good job taking care of the vans, and Mr. Holper continues to serve as “dispatcher” scheduling the volunteer drivers.
