2018-2019 SCRIP FISCAL YEAR

Everyone who has a MLHS SCRIP account should have received an end of year 2018-2019 fiscal report via mail or given to them in the SCRIP office. This report shows how many tuition/education credits you have accumulated for the fiscal year and any credits that were rolled over. If you have not already done so, please return the bottom portion of the purple sheet to the SCRIP office by Friday, May 24th. Also, mark if you want your credits applied to the 2019-2020 school year or rolled over and a signature is required. If you have not received your report, please contact the SCRIP office as soon as possible.

SUPERSCRIPS

If you are holding any Superscripts dated from 2003-2014, please bring them into the SCRIP office by May 30, 2019 to redeem. Thereafter, they will be redeemed back to the SCRIP office.
