

MLHS SCRIP SCOOP

MAY 2026

****WATCH YOUR MAILBOX! Designation Forms Must be Returned by May 28th****

This is a one time per year opportunity to request having your credits applied to your TADS account. **NO EXCEPTIONS!** The SCRIP Fiscal year ended on April 30th. The end of the fiscal year tuition/education credit reports will be mailed to all families with a SCRIP account. Included in the reports is a designation form asking whether you want your tuition/education credits rolled over or applied to a designated MLHS TADS account for 2026-2027. It is very important that you return the designation form **by May 28th, 2026** (last day of school). If the designation form is not returned by the deadline, the tuition/education credits will automatically be rolled over, no exceptions.
