

**Manitowoc Lutheran High School
Federation Meeting**

MLHS TRANSPORTATION REPORT

Vice Chairman: **Mr. Matt Menges**

Date of Meeting: Saturday, May 9, 2026

The repairs to the deer-damaged van were scheduled to be completed during Spring Break. Unfortunately, the snowstorm prevented this from happening. The repairs will be made soon after classes end in a few weeks.

Several members of our staff are currently using personal vehicles to carry out the work of MLHS. I plan to meet with the lunch service staff and the maintenance staff before the end of school to determine the specific needs and frequency of use.
