GROWING IN GOD'S GRACE

Expansion Project | 2026-2028

Investing in Lives That Lead and Serve

For more than 60 years, God has worked through the faithful support of this community to advance the mission of Manitowoc Lutheran High School, forming young men and women who live out their faith and carry Christ's love into the world.

As enrollment grows and educational needs evolve, we are embarking on a transformational project that will better serve our students, families, faculty, and federation congregations for generations to come.

The Expansion Plan

With God's blessings and the support of our Federation and community, we seek to raise \$4 million to fund:

A New Fitness & Wellness Center

\$1.2M (Unfurnished)

Modern training space promoting physical health, wellness, athletic development, & outreach tool.

A New Administrative Office Addition

\$1.4M

Improved security, accessibility, and service for students, parents, and visitors.

The Impact

"At its heart, this is about more than facilities. It is about creating space for more young people to grow in God's grace as they hear, learn, and live the message of salvation in Christ."

A New Kitchen & Food Service Area

\$1.4M (\$700K for building & \$700K for equipment)

Enhanced meal preparation and dining service capabilities.

Transformation of the Current Office Area into Classroom Space

\$235K

Increased instructional space to meet current and future educational needs.

✂ Please prayerfully consider your commitment to this mission-driven \$4 million project.
