Manitowoc Lutheran High School
Federation Meeting

MLHS ADMISSIONS REPORT
Admissions Chair: **Mr. Jeremy Fischer**

Date of Meeting: Saturday, November 7, 2026

Admissions Projections:

- Class of 2030: 70
- Lakeshore Lutheran Schools 8th grade class enrollment is up to 115 students. We anticipate at least 90% might attend MLHS as freshmen in 2027. Our freshman class is growing as expected.
- Early look at class of 2031: 110+ total 8th graders. Also, some interest from GB, Algoma, and SB. Good likelihood that class of 2031 will be bigger than the outgoing class of 2027 (79 students).

Events:

- September 23 Open House & Homecoming Pep Rally was well attended and exceeded last year's turnout. Last year's attendance exceeded the year before. It is estimated that 21% of Lakeshore Lutheran School students attended this year. Thanks to the Administration, Faculty, and Staff for the hard work that made this a success!
- Junior Lancer field trips.
- Grade school chapel visits.
- Athletic and fine arts events.

Future Events:

- Planning will begin for Freshman Information Nights this winter.

Respectfully submitted,
Jeremy Fischer
